## INDEPENDENT AUDITOR'S REPORT

## To: The Board of Directors of Oceana In Belize

## OPINION

IN MY OPINION, the financial statements present fairly, in all material respects, the Financial Position of Oceana In Belize as of December 31, 2020 and of its financial performance and its cash flows for the year then ended in accordance with General Accepted Accounting Principles in the United States of America. It is my opinion too, that the Financial Statements comply with the Laws of Belize.

## Report on the Financial Statements

I have audited the accompanying financial statements of Oceana In Belize (a nonprofit organization), which comprise the Statement of Financial Position as of December 31, 2020, and the related Statement of Activities, Statement of Cash Flows, schedules, summary of significant accounting policies and other explanatory notes.

## Basis for Opinion

I conducted my audit in accordance with General Accepted Accounting Principles in the United States of America. My responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of my report. I am independent of Oceana In Belize and have fulfilled my responsibilities as auditors professionally and ethically. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## Going Concern

The accounts were prepared on a going concern basis.

## Report on Summarized Comparative Information

I have previously audited Oceana In Belize's financial statements for the year ended December 31, 2019, and my report dated January 30, 2020, expressed an unqualified opinion on those audited financial statements. In my opinion, the summarized comparative information presented herein for the year ended December 31, 2020 is consistent, in all material respects, with the audited financial statements presented for the previous year.

## Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with General Accepted Accounting Principles in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Audit of the Financial Statements

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well evaluating the overall presentation of the financial statements.

## NOTES TO THE FINANCIAL STATEMENTS

## 1. NATURE OF ACTIVITIES

"Oceana in Belize" (OIB, for short) became entitled to conduct its affairs in Belize on October 30, 2009. OIB is a Company limited by guarantee without a Share Capital. It was formed for promoting science, charity and the useful purpose of marine conservation. Prominent among its principal activities as stated in OIB's Memorandum of Association are the protection of all marine life through marine conservation; the engagement in and the support of international and national public advocacy efforts to encourage marine conservation; and, the lobbying of Governments and organizations to adopt laws and policies that protect the marine environment. OIB has non-profit status and is registered under the Non-Governmental Organizations Act, Chapter 315 of the Laws of Belize.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Purpose of Financial Statements

The financial statements are furnished to comply with the provisions of the Companies and the Non-Government Organizations Acts, both of the Laws of Belize. They are also prepared to satisfy the reporting requirements of OIB's principal funding source, Oceana, Inc., an international not for profit organization with a mission of protecting and restoring the World's oceans.

## (b) Basis of Presentation

(i) The accrual basis of accounting is used throughout using the historical cost convention.
(ii) The Financial Statements are prepared and stated in Belize dollars.
(c) Cash \& Equivalents

For financial statement purposes, cash and equivalents include cash on hand, imprest account balances and bank account balances. Where highly liquid debt instruments purchased with an original maturity of three months or less, these would be included in cash and equivalents.
(d) Facilities

The lease for the premises situate at No. 2358 Hibiscus Blvd. Belmopan City, Belize expired on April 01, 2020, and was renewed for another year on like terms and will expire on April 01, 2021.

## (e) Foreign Currency Translation

Foreign currency transactions are translated or converted at the rate of US $\$ 1.00$ to Bze\$ 2.00 . Losses or gains arising on conversion are treated in the year they occur directly in the Income and Expenditure statement.

## (f) Furniture, Equipment \& Leasehold Improvements

OIB holds title to all furniture, equipment and leasehold improvements used in its Belize operations. OIB capitalizes all expenditure incurred in the acquisition of furniture, equipment and leasehold improvements provided that the individual cost of the assets exceed Bze. $\$ 1,000.00$.

## NOTES TO THE FINANCIAL STATEMENTS

All assets recognized as fixed under this policy are depreciated on a straight-line basis using twenty ( $20 \%$ ) in all cases.

Leasehold improvements are depreciated over the lesser of their expected useful lives, on the same basis as owned assets, or the term of the lease. For the purposes of this policy 'term of the lease" is considered without the lease extension options available.

## (g) Inventory

Inventory is maintained only in respect of promotional shirts, totes, pencils, and exercise books which are distributed to promote OIB and its programme of works in Belize and abroad. Inventory of T-Shirts and shirts are carried on the books at the lower of cost or market value. Expenditure on stationery and supplies are expensed during the year of acquisition.

## (h) Capital Grants

Capital Grants are amortized over the period of the estimated useful lives of the assets they funded.

## (i) Use of Estimates

The preparation of financial statements requires management to formulate estimates and assumptions that may affect the reported amounts of assets at the dates of such statements and revenues and expenses for the reporting period. Actual results could differ from those estimates.
